#### Report of Talmakiwadi Co.operative Housing Society for the year 2022-2023

Dear Members,

The last General Body meeting of the members was held on 24<sup>th</sup> September, 2022. This report will cover the workings and activities of the society after September, 2022.

At the outset, the Managing Committee would like to express heartfelt condolences to the bereaved families of those Members and residents who have lost their dear ones during this period.

#### **WORKING:**

<u>Structural Repairs:</u> The structural repairs carried out are almost complete and the contractors are presently attending to complaints from members.

We thank all the residents for the co-operation.

#### **Waste management and Cleanliness**

We have engaged the services of Nature Care Trash Solutions for the collection and disposal of garbage from the society. They are paid Rs.22,659/- per month.

#### We repeat our earnest request to residents:

- Segregate the dry and wet garbage before handing over the same to housekeeping staff
- The housekeeping staff visits all houses in the morning to collect the garbage. Please hand over the garbage bins to the staff. Residents are requested not to keep the garbage bins in the passage or common areas, specially overnight.
- Keeping the garbage bins or bags outside not only spoils the cleanliness of the building but also leads to rodent menace which the Society is presently encountering in the Society.
- Members who have let out their tenements on leave and license basis are requested to inform their tenants to ensure to maintain hygiene and cleanliness in the Society premises.
- Residents are also requested to inculcate habit in the children to maintain cleanliness and hygiene to ensure that there is "No Littering and No Spitting"
- Pet owners are requested to CLEAN UP immediately and they carry a Poop picker or Scooper or they carry Poop bags when they take their pet for a stroll.
- DO NOT THROW LITTER FROM WINDOWS.

<u>Water Management</u> –. Residents are requested to inform the Society office of any water leakage as soon as such leakage is noticed so that immediate action can be taken.

<u>Redevelopment – Special General Body meeting was held on 22 January 2023 and the members unanimously agreed to proceed with the Redevelopment. Minutes of the SGM were circulated to the members to comply with the Government guidelines issued under Sec 79(A).</u>

The Architects appointed have submitted their plans and members have raised queries which are being addressed by the Architect. A separate SGM would be held shortly to discuss the agenda pertaining to Redevelopment hence in this General Body meeting the issue of Redevelopment will not be discussed.

#### Letting out residential premises on Leave & license by Tenant Members -

It has been observed that Members let out their tenements, and the subtenants insist on shifting immediately, without due documentation. This is not acceptable.

There are certain rules framed in the interest of ALL members and before getting into any dealing with brokers/ prospective subtenants, the concerned Members <u>must be</u> aware of the rules, which are available in the Society office

### No sub tenant will be allowed to occupy the premises until the documentation is complied with. Violation of this condition will be taken as Trespass.

#### **Update on legal matters:**

- Mirjankar No progress
- Rohit Kulkarni vs Devdutt Kulkarni Matter disposed off by Dy. Registrar. Both brothers to resolve the family dispute.
- O Dy. Registrar has passed order in favour of the Society, in the cases pertaining to Ms. Ranjani Mallapur, Mrs. Vanita Gangolli, Dr. Leena Gangolli and Ms. Anjali Gangolli. While the dues as per the Recovery certificate pertaining to Ms. Ranjani Mallapur has been since paid by her relatives, Mrs. Vanita Gangolli, Dr. Leena Gangolli and Ms. Anjali Gangolli have preferred to appeal against the order of the Hon'ble Dy Registrar and have paid 50% of the Recovery certificate mentioned in the order.
