Dear Members & Associate Members of Talmakiwadi,

We are pleased to share with you a draft Vision Document for our [Talmakiwadi Redevelopment Project](#). This document aims to encapsulate our collective aspirations and sets a clear direction, outlining the future state we aim to create for our Members and their families.

This Vision Document will serve as a guiding star for all our efforts, ensuring that all that we do going forward aligns with our overarching goals and core cultural values. It has been conceived to inspire and motivate each of us as we work together to achieve what we would want to accomplish for ourselves as well bequeath to our future generations through the Redevelopment of our beloved Talmakiwadi.

This is our Redevelopment Project, and we all own it collectively. We therefore encourage you to take time to read the attached document carefully and reflect on how it connects with your individual aspirations as well as those of your family members.

We welcome your thoughts and feedback as we collectively embrace this vision. Please do share any comments or suggestions with us **by Sunday, 07 September 2025** at our email address: talmakiwadi@hotmail.com

We thank you and your family members for your continued trust, support and commitment to our shared future.

Best Regards,

For The Talmakiwadi Co-operative Housing Society Limited
